

## **RULES AND REGULATIONS**

The purpose of NO BONZ ABOUT IT DOGGIE DAYCARE is to provide a safe, fun and stimulating environment for dogs during weekday business hours. We believe that this pet care option for busy pet owners will also open up new homes for more shelter dogs. To ensure the safety and health of your pet and our guest, we require all of our guests to comply with the following Rules and Regulations.

All dogs must be 4 months of age or older and weigh at least 15 lbs. All dogs must be spayed or neutered by 7 months of age.

## SHOTS

All dogs must have had their first three rounds of puppy shots, Distemper, Bordetella, and must stay current with state requirements for the Rabies vaccine by getting one every three years.

We feel that you, the owner, must take full responsibility in protecting your own dog from contagious disease and parasites by following whatever proper preventatives, and vaccine protocol decided by yourself and your Veterinarian to best meet the health needs of your dog.

## HEALTH

All dogs must be in good health. Owners will need to verbally verify that their dog is in good health, and has not been ill in the last 30 days. On admission all dogs must be free from any condition which could potentially jeopardize

other guests. Dogs that have been ill with a communicable illness in the last 30 days will require veterinary certification of health to be admitted or re-admitted.

## **BEHAVIOR**

All dogs must be non-aggressive and not extremely food or toy protective. Owners will need to assure us that their dog(s) has not harmed or shown any aggressive or threatening behavior towards any person or any other dog. Please keep us informed of any and all notable changes in your dog's behavior.

## **APPLICATION**

All dogs must have a complete, up-to-date and approved application on file.
